

## THE 100.000<sup>th</sup> VISITOR IN AQUAWORLD BUDAPEST

The 100.000<sup>th</sup> Visitor of Aquaworld Budapest was a 15 years old student, Bence Tószegi, who bought his admission on Friday, on the 20th of February 4.30 p.m.

In that moment, Katalin Pfandler, President-Director of Aquaworld PLC., congratulated him with a team of photographers.

The lucky visitor won a free weekend stay for 2 people, as a present in Ramada Resort – Aquaworld Budapest.

The water theme park that opened two and a half months ago can rightly be proud of this accomplishment; the new and unique attraction of Budapest has become a popular meeting point for inhabitants and tourists in a short time. It offers the world of experiences to everyone, regardless of sex and age.

Something always happens in Aquaworld: in the month of February every Monday and Wednesday is a family discount day for those with small children. Birthday parties are organized in the kids' event room and from the middle of February guests can not only try surfing, but professional surf classes are provided upon request by professional instructors.

Do not forget, the island of eternal summer awaits you all year round!
